Dear parent / guardian

2020/9/30

Covid-19 letter 8 of 2020

Please take note of the following arrangements according to the National Disaster Management Act and the Standard Operating Procedures of the school:

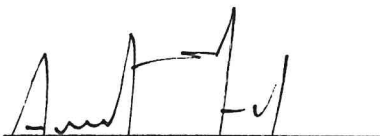

- Learners with ANY symptoms must be kept at home.
- IF the symptoms persist they must self-isolate for 10 days.
- Learners who develop symptoms at school will be sent home with a letter.
- Learners must use their own transport or be collected by their parents and can NOT use the scholar transport.
- This letter states that the learner may only return with a doctor's clearance letter, or if the 10 days' self-isolation period is over.
- Mask wearing is still **MANDATORY** under Level 1.
- Learners must maintain social distancing.
- Hands should be washed or sanitised frequently.
- Masks should be washed after each day and rotated.

We have been doing extremely well at the school and we would like to persist with all these measures to keep the learners, staff and you as parent/guardian safe.

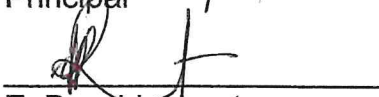

These arrangements will be in place until we receive any further instructions from the Department of Basic Education.

We hope you and your family are keeping safe.

Yours in education.

A. Mertz
Principal

E. Bezuidenhout
Deputy Principal

R. Meyer
Covid-19 Commander

L. Brookshaw
HOD
